Hard Time

Hard time forgivin' Even harder forgettn'
Before you do somin' You might regret friend
Hard time forgivin' Even harder forgettn'
Before you do somin' You might regret friend

Took me for granted, but Call it love if you will
I'm aware of this, I didn't let you in
Sank for you to swim, Dancing on the ledge
Try to make you stay, I didn't let you in!

Broke to what became, Became you and me
Tried to bend it but, I can't bend the truth!
Bricks are cavin' in, Oh, how sweet, this sin
I left you the keys, You won't let me in

//: Hard time forgivin' Even harder forgettn'

Walk with lessons that Oh, that I have learnt
Show the scars I've earnt In the light of day
Shadows will be found I will hunt them down
