## **YOU'VE GOT A FRIEND**

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you'll know, wherever I am  
I'll come running, To see you again  
Winter, spring, summer or fall  
All you have to do is call  
(Oh) And I'll be there yes I will  
You've got a friend

If the sky above you  
Should turn dark and full of clouds  
And that old north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon you'll hear me knockin' at your door

You just call out my name  
And you'll know, wherever I am  
I'll come running, To see you again  
Winter, spring, summer or fall  
All you have to do is call  
(Oh) And I'll be there, yes, I will

Ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them  
don't you let them

You just call out my name  
And you'll know, wherever I am  
I'll come running, To see you again  
Winter, spring, summer or fall  
All you have to do is call  
(Oh) And I'll be there, yes, I will  
You've got a friend
