CIRCLE OF LIFE

From the day we arrive on this planet (sittihu)
and blinking step into the sun (sittiha)
There is more to see, than can ever be seen,
more to do than can ever be done (sittihu)
There is far to much to take in here, (sittihu)
more to find than can ever be found (sittiha)
But the sun rolling high through the saphire sky,
keeps great and small on the endless round

It's the circle of life and it moves us all,
Through despair and hope, through faith and love
Til' we find our place on the path unwinding
In the circle, the circle of life

It's the circle of life and it moves us all,
Through despair and hope, through faith and love
Til' we find our place on the path unwinding
In the circle, the circle of life
In the circle
